Unit 2 Lower Sackville
NS B4C 4E9

Dear Members

The dental plan has once again been a success this year. Although there has been an increase in provincial dental and major service fees, after some negotiation we were able hold the dental rates. Thus, for the upcoming year August 1, 2018-July 31, 2019, the rates are staying competitive and the same. As a reminder to existing dental plan members, any plan changes can only be made at this time in writing to G.M.S.

As a member of NSGREA there are several benefits that you are able to join and take advantage of. As benefit consultants each year we speak with existing and new suppliers to improve or update existing plans, prices and find new plans where a need may arise, all with the hope of growing the association. In an effort to provide basic coverage the following services are available as an advantage membership offering. Many other associations have had members take advantage of low cost:

- Travel
- No medical affordable life insurance

We are encouraged by the membership support and hope the plan continues to grow. For further information feel free to contact us at employee.benefits.plus@gmail.com or call at 1-902-539-5055

Sincerely,

David G. Lawand / Glenn MacInnis
